

Construction update: Brisbane City, Petrie Terrace and Herston

June 2025

Brisbane Metro

Brisbane City Council is delivering the turn-up-and-go Brisbane Metro.

During June 2025, major construction in Brisbane's CBD will continue, including:

- tunnelling activities beneath Adelaide Street
- works to install new pavers
- resurfacing activities on Victoria Bridge, Adelaide Street, North Quay and William Street
- finishing works on the new cantilever structure on the river side of North Quay.

Refer to the table overleaf for further information about construction activities by location.

Work will involve

- **Construction activities:** use of tunnelling equipment, road saws, hammering equipment, excavators, vacuum excavators, drilling equipment, cranes, trucks, concrete trucks, rattle guns, compaction equipment including vibrating rollers and plate compactors, as well as lighting towers and other construction machinery.
- **Noise, dust and light** can be expected from construction activities.

Subscribe for construction updates: email your name, phone number and address to brisbanemetro@acciona.com or contact the team on 1800 318 059.

What to expect

- **Work hours:** both standard and out-of-hours works will be required in **Petrie Terrace, Herston, King George Square and on Victoria Bridge:**
 - Standard work hours:
 - Monday to Friday, 7am to 6pm
 - Saturday, 8am to 1pm.
 - Out-of-hours work hours:
 - Sunday to Thursday, 7pm to 5am.
- Work hours in the **Brisbane CBD:**
 - Works will occur continuously, 24-hours a day, Monday to Sunday.
- **Pedestrian and cyclist changes:** pedestrian and cyclist detours will be required around work areas
- **Traffic changes:** temporary road and lane closures will be required. Detours and traffic management will be in place
- **Bus stop changes:** temporary bus stop closures and relocations may be required
- **Vegetation pruning and removal** may be required and undertaken in accordance with Brisbane City Council's *Natural Assets Local Law 2003*.

Every effort will be made to minimise the impact of these works on nearby businesses and properties.

Traffic control will be on site, where required, to direct cyclists, pedestrians and commuters during works.

Weekend works

During June 2025, Brisbane Move will undertake weekend asphaltting and concreting activities on Victoria Bridge, William Street and North Quay.

To reduce the impact and duration of these activities, works will be undertaken continuously from 7pm Fridays to 5am Mondays.

These works will require traffic changes including lane closures and route detours for Translink buses and general motorists around work areas.
