These activities will be undertaken continuously (24-hours a day) from:

- Midnight Friday 20 June to 4.30am Monday 23 June
- Midnight Friday 27 June to 4.30am Monday 30 June
- Midnight Friday 4 July to 4.30am Monday 7 July

*\*See overleaf. Dates subject to change pending construction conditions.*

During this time, metros will be replaced by existing Council buses and the M2 service will be identified as RM2.

Translink's Journey Planner will be updated and signage will be installed at impacted bus stops to assist customers in locating the alternative stops. Alternate arrangements will be in place for major Suncorp Stadium events. Please follow signage and directions from on-ground staff to access your regular service.
