

Construction update: Brisbane City, Petrie Terrace and Herston

Brisbane Metro

December 2024 and January 2025

Brisbane City Council is delivering the turn-up-and-go Brisbane Metro.

During December 2024 and January 2025, major construction in Brisbane's CBD will continue, including:

- tunnelling activities beneath Adelaide Street
- Adelaide Street surface works between George Street and Edward Street
- strengthening and resurfacing activities on Victoria Bridge
- construction of the new cantilever structure on the river side of North Quay between Queen Street and Ann Street.

Refer to the table overleaf for further information about construction activities by location.

Work will involve

- **Construction activities:** use of tunnelling equipment, road saws, hammering equipment, excavators, vacuum excavators, drilling equipment, cranes, trucks, concrete trucks, rattle guns, compaction equipment including vibrating rollers and plate compactors, as well as lighting towers and other construction machinery.
- **Noise, dust and light** can be expected from construction activities.

What to expect

- **Work hours:** both standard and out-of-hours works will be required in **Petrie Terrace, Herston, King George Square and on Victoria Bridge:**
 - Standard work hours:
 - Monday to Friday, 7am to 6pm
 - Saturday, 8am to 1pm.
 - Out-of-hours work hours:
 - Sunday to Thursday, 7pm to 5am.
- Work hours in the **Brisbane CBD:**
 - Works will occur continuously, 24-hours a day, Monday to Sunday.
- **Pedestrian and cyclist changes:** pedestrian and cyclist detours will be required around work areas
- **Traffic changes:** temporary road and lane closures will be required during this time. Detours and traffic management will be in place.
- **Bus stop changes:** temporary bus stop closures and relocations will be required during this time.
- **Vegetation pruning and removal** may be required and undertaken in accordance with Brisbane City Council's *Natural Assets Local Law 2003*.

Every effort will be made to minimise the impact of these works, on nearby businesses and properties.

Traffic control will be on site, where required, to direct cyclists, pedestrians and commuters during works.

Update: overnight bus stop closures on Adelaide Street

In late December 2024, the overnight bus stop closures on Adelaide Street between George Street and Albert Street will no longer be required for metro works. Services will return to their regular stop on Adelaide Street at all times.

Signage will be in place at bus stops to assist customers.

For more information about bus stop changes, download the *Translink* app, visit translink.com.au or call 13 12 30.
