

Construction update: South Brisbane

December 2024 and January 2025

Brisbane City Council is delivering the turn-up-and-go Brisbane Metro.

Council is upgrading Cultural Centre station to improve capacity for bus and future metro services.

During **December 2024 and January 2025**, Brisbane Metro works are continuing in South Brisbane, including:

- construction of the new Cultural Centre station permanent platform 3 and minor works at platforms 1 and 2
- commissioning the new lifts at the Queensland Museum forecourt and QPAC's Melbourne Street Green, and demolishing the old lifts
- works to upgrade the Grey Street and Melbourne Street intersection
- urban realm works on Melbourne Street between Edmonstone Street and Grey Street
- road resurfacing works on the busway on Melbourne Street between Grey Street and Hope Street
- urban realm works on Grey Street between Peel Street and Russell Street including road resurfacing
- works to upgrade the pedestrian gates at the entrance to the South East busway on Melbourne Street
- commissioning of a permanent bus stop shelter and drivers' facility on Merivale Street.
- Minor asphaltting and line marking on Montague Road.

Refer to the table overleaf for further information about construction activities by location.

What to expect

- **Work hours:** both standard and out-of-hours works will be required:
 - **Standard work hours:**
 - Monday to Friday, 7am to 6pm
 - Saturday, 8am to 1pm
 - **Out-of-hours work hours:**
 - Saturday, 7am to 8am and 1pm to 6pm
 - Sunday to Thursday, 7pm to 5am
 - Intermittent concrete pours from 12am to 7am
- **Pedestrian and cyclist changes:** detours and diversions will be required around work areas
- **Traffic changes and detours:** temporary road and lane closures will be required around work areas
- **Vegetation pruning and removal** will be undertaken as required in accordance with Brisbane City Council's *Natural Assets Local Law*.

Traffic control will be on site, where required, to direct cyclists, pedestrians and commuters during works.

Major construction and work timings are subject to weather and construction conditions. Thank you for your patience while we complete these works.

Works will involve

- **Construction activities:** the use of road saws, hammering equipment, excavation equipment, cranes, profiling and asphaltting equipment, concrete trucks, rattle guns, compaction equipment including vibration rollers, lighting towers, vacuum trucks and other construction machinery.
- **Noise, dust and vibration:** some noise, dust and vibration can be expected from construction activities.

Every effort will be made to minimise the impact of these works on nearby businesses and properties.

Grey Street intermittent night works

In **December 2024**, Brisbane Move will continue road resurfacing and streetscape revitalisation works on Grey Street between Peel Street and Russell Street.

Intermittent night works and changed traffic conditions will be required to facilitate construction activities.

Cultural Centre station new platform 1 lift opening

In **mid December 2024**, Brisbane Move will open the new platform 1 lift at Cultural Centre station.

Temporary shared user path detours will be in place to facilitate the demolition of the existing Cultural Centre station lifts and construction of the surrounding footpaths.

Signage will be in place to provide directions for commuters, cyclists, and pedestrians during works.
